Student Counseling Resources

Counseling & Psychological Services
Counseling & Psychological Services (CAPS) contributes to student learning and development. CAPS provides exceptional services and programming focused on student mental health. CAPS offers a variety of services, including workshops to increase different coping skills and wellness habits aimed towards improving a student’s mental health and wellbeing. Any student can attend the workshops offered regardless of whether they are receiving other services at CAPS. Some options are one-time events, and others are brief two- or three-week series requiring prior enrollment. To learn more about CAPS, the services they provide, and to get access to self-help resources, please visit their website at caps.tamu.edu.

HelpLine
HelpLine is an after-hours mental health service for Texas A&M University. It provides telephone, peer support, information, crisis intervention, and referrals to students, as well as those concerned about students. The HelpLine is available from 4 p.m. to 8 a.m. weekdays and 24 hours a day on weekends when school is in session. The HelpLine is supervised and run by Counseling & Psychological Services (CAPS), a department in the Division of Student Affairs. HelpLine can be reached at 979-845-2700. HelpLine can provide information, support, and referrals over the phone. If you need to speak to someone face-to-face, go to the nearest hospital emergency room.
Graduate Assistant Employees
Most of these positions require service of 20 hours per week. Although individual colleges may have higher requirements, graduate students holding assistantships must be registered for a minimum of nine semester hours during a fall or spring semester, or for six credit hours during the summer. Assistantships terminate upon failure to maintain the minimum enrollment requirement. Students serving in these roles are eligible for insurance benefits and may pay tuition and fees at the in-state rate. The Office of Graduate and Professional Studies Graduate Council enforces guidelines for employing graduate students at greater than a 50% effort.

For more detailed information on graduate student assistantship requirements, check the Graduate Catalog or directly contact your department head, chair of the intercollegiate faculty, or your graduate advisor.

Request to Work Additional Hours
1. Students that hold positions of Graduate Assistant Teaching (GAT), Graduate Assistant Non-Teaching (GANT), Graduate Assistant Research (GAR), and Graduate Assistant Lecturer (GAL) are normally required to work 20 hours per week (50%).*

2. These positions are not allowed to work beyond 50% efforts without the approval of the Office of Graduate and Professional Studies.

3. International students are not allowed to work beyond whatever percent of effort their assistantship is for the fall and spring semesters, in accordance with immigration rules.

4. International students are allowed to work extra hours during the summer or breaks in the semester (such as Spring Break, Thanksgiving week and Winter Break). During this time, international students who hold an assistantship are allowed to work full time during the summer or breaks in the semester provided they are correctly registered and the department giving the assistantship approves the extra hours form.

5. Domestic students are allowed to work no more than 9 additional hours per week beyond the assistantship anytime during the semesters provided they are correctly registered and the department giving the assistantship approves the extra hours form. During break periods and when academics are not in session, the student may work full-time.

Graduate Assistantship Benefits
The Grad Student Health Plan, HMO with low out-of-pocket costs, is exclusively available to benefit-eligible title codes* including Graduate Assistant Teaching (GAT), Graduate Assistant Non-Teaching (GANT), Graduate Assistant Research (GAR), Graduate Assistant Lecturer (GAL) and eligible dependents of students employed in the aforementioned titles. Eligibility for the university’s employee group insurance benefits depends on the job title, the length of employment period, and scheduled weekly hours.

The Grad Student Health Plan is administered by Academic Health Plans (AHP) and underwritten by BlueCross BlueShield (BCBS) of Texas. Prescription drug coverage is included with enrollment with Prime Therapeutics. Dental & vision are also offered with Delta Care USA & Superior Vision.

Employee Onboarding Tasks to be Completed in Workday

Onboarding procedures are an important step in completing your hire to ensure a smooth start and timely receipt of your first paycheck. Within the first few days of your hire, you will receive several tasks to complete in your Workday inbox. Some tasks may appear as a “To Do” item that must be completed outside of Workday. Please be sure to read the instructions carefully and submit the task only after the “To Do” has been completed.

Although the majority of your onboarding documentation will be completed in Workday, we will need to complete the Federal form I-9 in our office, either on or before your date of hire.

On the following pages you will find a list of onboarding steps that you may receive in Workday. If at any time you have questions or need assistance with a task, please do not hesitate to contact your HR professional.

Keys to a Successful New Employee Onboarding:

⚠️ Onboarding must be completed using only the tasks available in the new employee’s Workday inbox. ⚠️

⚠️ These inbox tasks will include an opportunity to update personal and contact information. Please do not initiate these changes outside of the onboarding process to avoid errors. ⚠️

⚠️ A “To Do” task provides instructions to go do something (in or outside of Workday); once complete, submit the To Do task to move forward. ⚠️

Additional resources can be found on the Employees and Workday website. Here you can obtain further guidance on the onboarding process in Workday, learn more about the Onboarding Dashboard, get instructions on how to complete the Federal Tax Election Form W-4, learn how to manage payment elections (direct deposit), and find resources and information on other common tasks.
